

Melissa Rooker

July 20, 2018

Dear Melissa,

The American Federation of Teachers-Kansas (AFT-Kansas) is proud to represent teachers, nurses, workers in higher education institutions, as well as City, County and State employees, and we are proud to have members in all 105 counties of Kansas. Our local unions include the Kansas Organization of State Employees (KOSE), United Teachers of Wichita, City of Topeka Employees Union, WSU Employees Union, PSU Employees Union, KSU Employees Union, KU Graduate Teaching Assistants Coalition, Three Lakes Educational Cooperative, Kansas University Nurses Association, Saline County Association of Public Employees, and the University Police Employees Association.

For our incumbent friends, please know that we appreciate you standing with us and fighting for working Kansans in Topeka during the past Legislative sessions. For new candidates who are seeking office, we believe our values on issues important to working Kansans are in alignment. On behalf of our political action committee (KAPE Committee on Political Education), we are happy to offer our voting recommendation for your success in the upcoming Primary elections for Kansas House in District 25 .

We are grateful for you seeking the noble office of public service. This will be an exciting election, and we look forward to working with you in the near future.

Sincerely,

Dwight Goodman, Chair
KAPE Committee on Political Education
